

HEIFER INTERNATIONAL KENYA SUPPLIER PREQUALIFICATION 2025-2027

Heifer International Kenya has been operating in Kenya since 1981 with a Mission to work with communities to end hunger and poverty and care for the earth and its vision is “a world of communities living together in peace and equitably sharing the resources of a healthy planet”. Using a values-based community development approach, Heifer International works with communities to strengthen the local economy, diversify diets with better nutrition, and properly manage water and soil systems for future generations.

To accomplish its Mission, Heifer International Kenya is undertaking a supplier prequalification exercise to pre-qualify suppliers. The purpose of the exercise is to promote supplier partnership and to improve the quality of products and services whilst achieving the most competitive prices.

The Pre-qualification documents and the response thereof shall be the ONLY basis for pre-qualification as a supplier in a specified category.
